Trop rares sont les œuvres solistes ou chambristes pour les instruments à vent au tournant du grand siècle. Mais le jeune Beethoven, s'inscrivant dans la lignée de Mozart, leur a quand même consacré quelques pièces, entre 1796 et 1800. Elles sont d'autant plus précieuses qu'il n'y reviendra plus.

Too rare are solo or chamber works for wind instruments at the turn of the great century. But the young Beethoven, following in the line of Mozart, still dedicated a few pieces to them, between 1796 and 1800. They are all the more precious since he will never return to them.
